## Hot Topics in the News Industry

- GROWING AUDIENCE SEMINAR PODCAST:** Podcasts and Presentation files are available for the Growing Audience Seminar. Grow audience. Expand into new markets. Develop new print and digital products. These are orders of the day for newspaper executives everywhere. Join with your colleagues as NAA brings you all of the latest audience retention and growth practices at the Growing Audience Seminar.
- HOW TO RECRUIT SENIOR-LEVEL TALENT:** Henry Bird wasn't looking for another job when an executive recruiter first called him about an opportunity at Birmingham, Ala.-based Community Newspaper Holdings Inc. But a combination of factors—including timing and fit—ultimately led to his decision to join CNHI as vice president of the Midwest division, in charge of 12 daily and weekly newspapers in Indiana, Illinois and Minnesota.

### CONFERENCES + EVENTS

**2007 NAA/ANSR Automotive Advertising Symposium**  
 January 9 / Detroit, MI

The Annual NAA/ANSR Automotive Advertising Symposium will take place again during the North American International Auto Show in Detroit early in the new year. Top executives from the auto industry will be on hand to give us a “heads up” on how they hope to go to market in the year ahead and what the newspaper industry can do to help advance those efforts. Join your colleagues for what promises to be a profitable day-long session on what newspapers are doing to meet the auto industry's advertising challenges.

### AWARDS

**2006 PRESSTIME TWENTY under FORTY Awards**

Twenty of the best and brightest young professionals in the newspaper business are profiled in the 14th edition of PRESSTIME magazine's “20 Under 40” feature, designed to recognize those who have proven themselves as “change agents within their companies and the industry, providing much needed leadership and vision,” according to the editors.

The 20 were selected from nominations made by executives at NAA-member newspapers across the country.
